see you next time.

Limited Registration – Event Capacity 100 Trailers

Trail ride through the spectacular grounds of Historic Sotterley. A marked 12 mile trail that follows beautiful historical sites, the Patuxent River, wooded forest and many open fields. The terrain is flat; horseshoes are generally not required. Each rider can proceed at his/her own pace. Shorter and longer loops are also available.

During your ride you are able to stop at 20 different historical buildings, tie your horse to the hitching post and enjoy the beauty.

Connecting Trails at Greenwell State Park are open for horses but not marked as part of this ride, with approximately 12 additional miles.

Happy Trails!

Accommodations: There is plenty of room for primitive camping using your own portable corrals. Quiet generators are welcome. There is water for horses around the grounds, but no water hookups for trailers/campers. Please fill your water tank before you arrive. Site must be kept clean and manure placed in designated areas. First come first serve bases.

**Negative Coggins
